

ST. MARY'S PARK IMPROVEMENT CLUB

MEETING TIME: TUESDAY EVENING, FEBRUARY 12, 1985 AT 7:30 PM
ST. MARY'S PARK RECREATION CENTER

Dear Neighbor:

This is the first meeting of the new year. Let's have a large attendance and support our new officers and - here they are -

President	Gloria Ambra
Vice-President	Herb Smith
Secretary	Ida Holmer
Treasurer	Ray Holmer
Sergeant-at-Arms	Henry Thran
Refreshment Chairlady	Theresa Thran
Sunshine Lady	Ann Coleman

MANY THANKS to our hard-working committee on a successful Installation Dinner, held at the Italian-American Club. The attendance was large and the dinner was delicious. Don't you wish you had been there?

PROPOSED APARTMENT BUILDING: Are you aware of the proposal to build a 16-unit apartment house on the corner of Mission and Murray Streets, on the site now occupied by a service station? To accommodate a building of this size, a variance is needed in the Building Code. The corner lot is only large enough to accept a 12-unit building. With regard to the granting of this variance, there will be a hearing before the Planning Commission on February 7 about 3:00 pm. Your Club officers plan to attend. If you are interested in what transpires, come to the meeting and learn of our findings.

DUES COLLECTION: Our treasurer, Ray Holmer, wishes to say thanks to the men and women who volunteered to help collect the dues this past month and who are still working at this job. This hard-working and dedicated group of people has visited every house in the Park. No one enjoys pushing doorbells and asking for money but it's the only way to get funds for the Club. To those people who were not at home when the collector called, feel free to drop your check for \$10.00 in the mailbox at 39 Justin Drive. The treasurer will see that it is deposited in the Club's account.

Let's have a nice turnout for this meeting.

Gloria Ambra, President

Ida Holmer, Secretary
